Mass Society for Promoting Agriculture

[Boston, MA], 1911

May 25th, 1911.

Gen. Francis Henry Appleton, Secretary,
Massachusetts Society for Promoting Agriculture
50 Congress Street,
Boston, Mass.

My dear Sir:

I have been away for over ten days hence the delay in replying to your kind letter of May eleventh.

Please accept my thanks for the information regarding the medal awarded to Col. David Humphreys.

I have never seen this medal, and should I at any time get any further information regarding it, or be able to secure a photograph I will take great pleasure in communicating it to

you.

Very truly yours,

Director.
